Event descriptions:

Neil Berg's 100 Years of Broadway:

You usually have to travel to New York to experience Broadway like this! Composer and lyricist Neil Berg has put together a phenomenal Broadway revue that has audiences all over the country raving. This big show will fill the stage in the Davis Theatre with five singers and four musicians, including some that starred on Broadway. Featured are songs from all your favorites, including *Wicked*, *Chicago*, *The Phantom of the Opera*, *Evita*, and *Cabaret*.

It's a Wonderful Life: A Live Radio Play

In this unique "live broadcast" adaptation, the ON AIR sign lights up and you're in the studios of WBFR Radio on Christmas Eve, 1946. This wonderful production invites you to experience Frank Capra's beloved story in a refreshingly new and intimate way. More than 30 characters and numerous scenes of the classic movie spring to life in a beautifully detailed replicated experience that recalls a mainstay of our culture in years past—the live radio drama.

Kellylee Evans

You'll want Kellylee Evans to be your Valentine after you hear her captivating voice. With a smooth style that slides through jazz, soul, R&B, blues and world music rhythms, this Canadian songbird is a unique voice in the urban-jazz world. She was nominated for the 2007 Juno Award along with Michael Buble and finished second of 180 contestants in the prestigious Thelonious Monk International Jazz Vocalist competition at the Kennedy Center in Washington, DC.

Chapter 6

A Cappella group Chapter 6's unique sound has been featured on everything from *American Idol* to *Good Morning America* to a National Symphony Orchestra concert at the Kennedy Center. Their show features a blend of pop/jazz harmonies and tongue-in-cheek lyrics that are sure to bring spontaneous bursts of applause and laughter.

Christine Lavin

Comedienne, singer, and songwriter Lavin can turn any size theatre into a living room. Her zany antics and memorable lyrics will make this an evening you won't soon forget. With song titles like "Sensitive New Age Guys" and "Tom Cruise Scares Me," you'll be on the edge of your seat to see what she says (and does) next. A founding member of "Four Bitchin' Babes," Lavin has recorded numerous solo albums and sung with a who's who of folk music artists over her long career.
